

# Facility Comparison Worksheet

Compare up to three communities side by side on the things that actually matter.

Tour two or three places, then fill this in from your notes. Seeing them side by side makes the right choice clearer, and keeps a sales pitch from crowding out the details that matter.

| Compare                   | Option 1 | Option 2 | Option 3 |
|---------------------------|----------|----------|----------|
| Facility name             |          |          |          |
